

Introducing BRANCH OUT

*a community management program brought to you by
Hyde Management and The Musicant Group*

We're providing tailored experiences to make your spaces the best places to work in the midwest, by providing opportunities to branch out and build stronger communities. Future events will include campus-wide cook-offs, competitions and tournaments, concerts, volunteer opportunities, and more.

FIRST UP: FOOD TRUCK FRIDAYS!

Food trucks will be on site at select Branch Out locations every Friday until winter rolls in. Sign up for the e-newsletter to see which trucks will be outside your door next!

Tell us what kinds of events, activities, and amenities you would find most valuable.
